We would like to hear from you
The council has asked RedQuadrant to work with people in Barnsley to answer the question:

Think of Barnsley. What does a good life look like for people with a learning disability, their families and carers now and in the future?

We will be working in Barnsley to give you the chance to shape future support for people with a learning disability, their families and carers.
We would like to hear from you if you are:

- A person with a learning disability
- A family member of someone with a learning disability
- A carer of someone with a learning disability
- Someone interested in this question because you represent people with a learning disability or work with them.
Please join and help us shape your future support.

There are five ways you can take part:

1. Join our steering group which will decide on the best way to do this work

2. Meet with one of the RedQuadrant team or speak to them by telephone

3. Invite RedQuadrant team members to events and meetings you already have planned
4 Join in one of the events we will be running

5 Complete this survey:
